1] TELEPHONE, GPS AND MUSIC

INTERPHONE F2 CITY is the most practical and safest helmet hands-free kit for riders, who only need to listen to their favourite music or use their mobile phones while riding in the city or during their short-distance trip.
INTERPHONE F2 CITY connects to mobile phones through Bluetooth® and allows communication at high speeds thanks to the wind-shielded microphone and noise filtering device. It is waterproof, dustproof and mud resistant *(IP76 certified)*, and fits all helmets!
Thanks to the 3.5mm stereo plug-in, INTERPHONE F2 CITY can also be connected to every kind of music players, including iPod®.

2] WATER AND DUST-PROOF

INTERPHONE F2 CITY and all the Interphone range, comply with CEI EN 60529/1997 *(ex CEI 70-1)*, are the only ones certified as IP 67 *(totally waterproof and dustproof)*.
